Radical Hospitality -

We love with a spirit of inclusion. This means welcoming anyone and everyone with open hearts—no exceptions.

Active Transformation -

We acknowledge that we're all on a journey pursuing spiritual growth and transformation in our own lives, in our community, and in our world through our relationship with Jesus.

Theological Humility-

We value freedom of belief, diversity of thought and opinion, and fearless curiosity. We don't pretend to have all the answers or shy away from big questions about who God is and what God is calling us to do.

Authentic Community -

We come together as one community, knowing that following Jesus means taking community seriously and prioritizing spending time together in worship, fellowship, classes, and Life Groups.

Compassionate Generosity -

God has been generous with us, and so we respond with the generosity of spirit by serving others and sharing our resources, both close to home and around the world.
